Movement that inspires

At Kia, we believe movement inspires ideas. Great ideas come to you when you're on the move. Whether you're walking, traveling on a train or driving. It's why we create the spaces and the time you need to bring ideas to life.

All information, illustrations and specifications are accurate at the time of printing and are subject to change without notice.

This brochure is intended for reference purposes only. Specifications may vary based on the model. The model, colors, and specifications shown in this brochure may vary from the actual product. Contact your local Kia dealer for current information and full warranty details including terms and conditions.

Kia Pakistan reserves the right to discontinue or change the models, features, specifications, options, designs and prices of products referred to in this sheet without incurring any liability whatsoever to any purchaser or prospective purchaser of any such products.

Safety technologies are designed as supplementary systems and do not substitute the driver's responsibility to remain attentive and exercise caution. Radar and sensor-based features are intended to assist the driver in operating the vehicle safely, but their functionality may be influenced by various conditions. The driver remains fully responsible for timely braking and vehicle control at all times. Safe driving is ultimately the driver's responsibility. The capabilities of Kia Drive Wise may be limited in situations such as sharp turns, driving on inclines or declines, intense glare, unexpected lane changes by other vehicles, or the presence of blind spots. Study owner's manual for exact information.

Performance metrics are based on controlled conditions. Actual driving performance may vary depending on environmental factors, vehicle conditions, and driver skills.
